

J.P. DONMOYER INC.

Truckload Services

Donmoyer Truckload Services Does More!

Technology Support

For consistent, on-time service and *Customer* satisfaction.

- **Documented 99.9 %** on-time delivery as proof of quality consistent service.
- **TrackIt@JPD**, an automated tracking process to verify your timely pick up and delivery and en route delivery information.
- **Regular Evaluations** of Customer Satisfaction by measured indexes.
- **CSI and Team Approach** to meet or exceed your expectations.
- **People Net Satellite Tracking** supported with on board communications and GPS for constant monitoring of your shipments.
- **POD@JPD** is an automated proof of delivery progress to provide you timely response to shipping inquiries.

Transportation Support

For consistent adaptation to meet *your* needs.

- **Twenty Four Hour**, seven days a week of constant availability to meet your transportation needs.
- **Operating 365 Days** per year to meet all your operational and customer requirements.
- **E Track**, Pallet Jack, load bars, air ride, customized options to meet your specific business needs.
- **Real-Time Transit** data by Maddocks Fleet Management System enables us to provide transit information on every order when you need it.
- **EDI**, scanned data flows, moving data on a streaming basis to meet your information needs.

Typical markets include manufacturing, retail, & distribution.

Award-Winning Quality

For consistent quality performance.

- The Governor of Pennsylvania
- The Kauffman Foundation
- NASDAQ, Sprint
- USA Today
- Ernst & Young
